

SDS REVIEW CHECKLIST (16 GHS FORMAT)

Use this checklist when reviewing each incoming Safety Data Sheet (SDS). If any required item is missing or unclear, contact the manufacturer for clarification.

#	Item	Present?	Notes
1	Product Identifier, Manufacturer/Supplier Name, Address, Emergency Phone, Recommended Use	☐ Yes ☐ No	
2	GHS Classification, Signal Word, Hazard Statements, Precautionary Statements, Pictograms	☐ Yes ☐ No	
3	Chemical identity, CAS numbers & concentrations of hazardous ingredients	☐ Yes ☐ No	
4	First-aid measures by route of exposure, symptoms, need for immediate medical attention	☐ Yes ☐ No	
5	Fire-fighting measures (extinguishing media, specific hazards, firefighter PPE)	☐ Yes ☐ No	
6	Accidental release measures (personal precautions, containment, cleanup)	☐ Yes ☐ No	
7	Handling & storage precautions & incompatibilities	☐ Yes ☐ No	
8	OSHA PEL, ACGIH TLV, engineering controls & PPE requirements	☐ Yes ☐ No	
9	Physical & chemical properties (flash point, vapor pressure, density, solubility, etc.)	☐ Yes ☐ No	
10	Stability, reactivity, incompatibilities & hazardous decomposition products	☐ Yes ☐ No	
11	Toxicological information & carcinogen listings (NTP, IARC, OSHA)	☐ Yes ☐ No	
12	Ecological Information (Non-Mandatory under OSHA)	☐ Yes ☐ No	
13	Disposal Considerations (Non-Mandatory under OSHA)	☐ Yes ☐ No	
14	Transport Information (Non-Mandatory under OSHA)	☐ Yes ☐ No	
15	Regulatory Information (Non-Mandatory under OSHA)	☐ Yes ☐ No	
16	Other information, including date of preparation or last revision	☐ Yes ☐ No
