

EMPLOYEE ACKNOWLEDGEMENT FORM

California | T8 CCR §3395 & §3396 Compliant

By signing below, I acknowledge that I have received, read (or had read to me), and understand the Allegheny Millwork Heat Illness Prevention Plan for Interior Finish Trades – California Edition. I understand my responsibilities under this plan, including:

- My right to take a Preventative CDRP at any time I feel the need to protect myself from overheating, without fear of retaliation, as required by Cal/OSHA CCR §3395 & §3396.
- My responsibility to drink water frequently throughout the shift (at least four 8-oz cups per hour in heat conditions).
- My responsibility to monitor myself and coworkers for heat illness signs & symptoms and to immediately report any concerns to the Superintendent/Competent Person.
- The location of cool-down areas, water supply, and emergency contacts on this project.
