

EMPLOYEE ACKNOWLEDGEMENT FORM

By signing below, I acknowledge that I have received, read (or had read to me in my primary language) and understand the Allegheny Millwork Heat Illness Prevention Plan for Nevada projects. I have had an opportunity to ask questions and to receive answers in a language that I understand.

Specifically, I acknowledge that I have been trained on the following topics:

- Causes, signs and symptoms of heat illness, including heat stroke, heat exhaustion, heat cramps, heat syncope and heat rash.
- Personal risk factors, including medications and medical conditions that increase heat illness risk.
- My responsibility to drink water frequently throughout my shift. I will not wait until I am thirsty.
- My responsibility to recognize heat-illness signs in myself and my coworkers and to report them immediately.
- My right under NAC 618 Section 9.2 to take a rest period of at least five (5) minutes whenever I feel I need to recover from heat or to prevent heat illness, without fear of retaliation or discipline.
- The location of the cooling/rest area on each project.
- The Buddy System and how to monitor coworkers.
- How to contact the Superintendent/Competent Person and Emergency Services (911).
- Acclimatization protocols and what to expect during my first 7-14 days on site.
- Emergency Response procedures, including reach information for EMS.
- Nevada Specific Resources:
 - Nevada OSHA
 - Las Vegas: 702-486-9020
 - Reno: 775-688-3700
 - SCATS: 1-877-472-3368

I understand that I am required to follow all provisions of this Heat Illness Prevention Plan. I understand that failure to follow safety rules may result in disciplinary action under Allegheny Millwork's progressive disciplinary policy. I also understand that I have the right to refuse work that I reasonably believe presents an imminent risk of serious physical harm and to report safety concerns to my Superintendent/Competent Person, Allegheny Millwork management, Human Resources or Nevada OSHA without retaliation.
